SIGNED,
The Secret Desire

Jerry,
(Hi cutie!) It's hard to express all the words that would describe you so I'm gonna try and put this as short as possible. You're one kind of person I needed a friend or someone to talk to who you're really cute and you're looking more like Jim but, that's not important because I think you own little way! Jerry you're a very intelligent person when you put your mind to it. Don't ever feel imbarassed (however spelled) to try in school. Other boys don't try because they think it's not getting good grades are only going to help in the long run. Jerry, remember if you need help in a subject I'm there to help you! P.S. When I move (today) don't forget me totally! At least remember the memories! Come visit me (and bring Jim) Just kidding → friends for eternity! luv Mary E. "Ed"

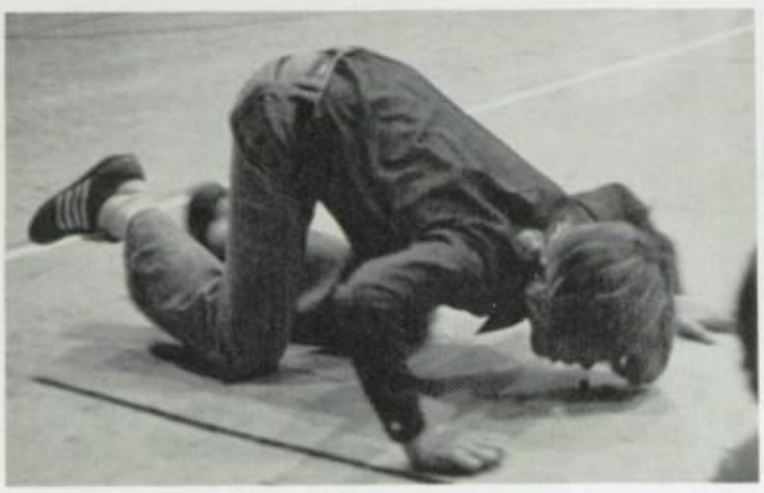
Danny uses 'nose power.'



Freshmen have force, but still lose.

Julie finds strange places to change her clothes.

The boys fought a tough season. There were a high number of injuries, but our new coach, Alan Price, and his assistant, Bill Reid, pulled the guys through. We had six senior wrestlers this year who did a fine job and we hate to lose them. The season had an exciting finish when Kevin Hough took 1ST place at State Tournament and finished with an undefeated (30-0). This is a first at Underwood. We're looking forward to a great season next year from those Mighty Eagles!

Spring

Memories may be beautiful and yet,

What's too painful to remember

We simply choose to forget

Pictures In My Mind

I close my eyes and I can see,
All the visions of my memory.
They laugh and dance, as they unwind
Themselves from the corners of my mind.
Visions of the days long ago,
Of the people and places I used to know.
Fleeting moments from the past,
Molds from which my life was cast.
Pictures of yesteryear,
Shining through bright and clear.
All the joys and sorrows,
Are saved for the tomorrows.
The tears and laughter,
For ever after.
Because
They're pictures in my mind.

The Senior Will was read by Susie Wright and Mark Mullin.

SPRING...

A portion of the prophecy was given by Cheryl Larson and Mike McKern.

Steve Longmeyer and his masked friend, Gene Cox, added their own humorous touch to the prophecy.

One of the big events which marks the coming of spring is the annual Junior-Senior Prom. This year the 1978 prom was held at the Best Western Motel in Council Bluffs. The evening meal began at 7:00 P.M. with a blessing by Lisa Bloom. Afterwards, Teresa Smith delivered the welcome and Mark Mullin gave the senior response. Following dinner, Renae Angoroth entertained the group with a song, and the will and prophecy were read. A disco show provided plenty of dance music to round off the evening.

To raise money for this year's prom, the junior class again sold pizzas. A prom committee was selected and they organized the evening's events. The theme chosen was "Come Sail Away." Wendy Ulmer, Barb Leaders, Doug Larsen, and Kevin Hough were voted upon as prom servers.

"I hope my feet hold out," says Penny, as she contemplates the dance floor.

Terry attempts to make a speech, but it wasn't in the evening's plans.

Wendy and Craig appear to be at a loss for words.
